Some classes may be separated, or further combined if relative performance and NatSKA rules permit. The organisers reserve the right to exclude a class if there are insufficient numbers to make up a grid.

All Novice Drivers racing from the back of the grid in the qualified class MUST carry an additional yellow plate bearing the letter **N** on the rear of their kart during all Sessions. Novices in novice only practice sessions MAY carry this plate (where the kart is also being used by other drivers racing from the back of the grid) but are not required to do so. During novice only practice sessions racing is not permitted.

GRID AREA / PROCEDURE

Drivers must wear their crash helmet when entering the grid area.

Karts may proceed onto the dummy grid (providing it is clear and ready to accept the next grid of competitors) whenever they feel that they are ready.

When there is 3 minutes + 1 lap of the preceding race remaining the grid will be closed. Any kart not on the ground in the correct grid slot or under the control of a Grid marshal at this point will be moved to the back of the grid.

Once the kart has entered the dummy grid area for all heats including practice the driver/mechanic must position it on to their grid position or as directed by the grid marshal.

Adjustments will be allowed on the Dummy Grid in line with current NatSKA Rulebook. Any infringement of this rule will result in the competitor being placed at the rear of the grid for that race

Trolleys must be removed from the grid and placed in the trolley park

Failed Start Line

NatSKA Season 2022

Please note that any kart that is still being pushed beyond the failed start line, which subsequently “fires” and takes part in the race MAY BE EXCLUDED FROM THAT HEAT.

Scrutineering / Final Heat

Novice of the Day (low power classes)

Novice of the day will be chosen by Circuit officials on the day and co-ordinated by the Start / Finish team, looking at improvement, race craft, race times and consistency. The circuit official's decision is final and no appeal will be allowed.

Kart mounted Cameras

Any driver who has a kart mounted camera must ensure that the top of the camera sits below the bottom of the front Nassau panel number plate and must not obscure any part of the number plate. For the avoidance of doubt Camera or video devices are not sanctioned or controlled by NatSKA and cannot be used by a driver or team in judicial matters although the Clerk of the course can request to see footage.
