[...]For the Super Heat(s), points will be awarded as follows: 0 points to the 1<sup>st</sup>, 2 points to the 2<sup>nd</sup>, 3 points to the 3<sup>rd</sup> and so an increasing the progression of one point per place. If a driver does not take the start in a Super Heat, he will receive a number of point equal to the number of participants plus 1 in his or her respective Super Heat  
(in Case A: 36 participants or fewer) or equal to the number of participants in groups A and B plus 1 (In case B: 37 participants or more).

If a driver has been Black-flagged or Disqualified, he will be credited with a number of point equal to the number of participants plus 2 in his or her respective Super Heat. (~~In case A: 36 participants or fewer~~) or equal to the number of participants in Super Heat A and B plus 2 (in case of 37 participants or more). [...]

### 3. Rationale

The attribution of points equal to the cumulative number of participants between the two Super Heats is deemed to harsh of a penalty for a Non-Finish/DQ of a Super Heat. As such, the number of point will now reflect the sole amount of participants for any given Super Heat.
