1. Present text

Art. 18D of the RGMMC Sporting Regulations

2. New

[...]For the Super Heat(s), points will be awarded as follows: 0 points to the 1st, 2 points to the 2nd, 3 points to the 3rd and so on increasing the progression of one point per place. If a driver does not take the start in a Super Heat, he will receive a number of points equal to the number of participants plus 1 in his or her respective Super Heat (in Case A: 36 participants or fewer) or equal to the number of participants in groups A and B plus 1 (in case B: 37 participants or more).

If a driver has been Black-flagged or Disqualified, he will be credited with a number of points equal to the number of participants plus 2 in his or her respective Super Heat. (in case A: 36 participants or fewer) or equal to the number of participants in Super Heat A and B plus 2 (in case of 37 participants or more). [...]

3. Rationale

The attribution of points equal to the cumulative number of participants between the two Super Heats is deemed to harsh of a penalty for a Non-Finish/DQ of a Super Heat. As such, the number of points will now reflect the sole amount of participants for any given Super Heat.
