Wera Tools 2021 British Kart Championship

#### Event Bulletin 04

Due to the ongoing shortage of kart tyres in the UK and subsequent changes in some clubs' tyre regulations and online scrutineering processes - competitors may request to register in one extra set of used slick tyres in practice 1 & 2 (4.5.4.2) Tyres should be fitted to the kart for scanning on the entrance to the grid.

From session 3 onwards ALL tyres new or used must be registered on the Alpha system.

**Reason:** Sporting Fairness and force Majeure

4.5.4.2 For Practice and Warm-Ups; (i) Where any Optional Friday practice is offered and up to the TQ Session a maximum of up to 1 new sets of slick tyres may be used in addition to any registered used slick tyres Any new tyres must be purchased from the Championship
