9. Timed Qualification & Event Scoring

Timed Qualification – For Rotax & Honda classes Timed Qualification format will be as per Championship Regulation;

3.8.8.1 Option 1 - Driver's average time calculated from their fastest 3 laps during their timed qualifying session will be used as their qualifying time for drivers completing less than the required minimum 3 laps their average lap time will still be calculated and then ranked initially by laps completed and then by average time behind drivers completing more than 3 laps. Should a driver have their fastest lap cancelled due to a penalty then the next fastest 3 laps will be used for calculating their average time.

3.8.8.2 If there is more than one session the fastest average time achieved in the fastest session (fastest average time overall) will be given 1st place 2nd place goes to the fastest average time in the other session 3rd place to the 2nd fastest in the fastest session (or fastest in the 3rd session if one is required) and so on to determine the combined results order.

Timed Qualification – Micro Max, as per Supplementary Regulation 8 (Option 1)

For this event the Championship points scoring is as follows.

2 Championship point scores are available per round, Saturday round 6 & Sunday round 7

- Intermediate Classification (heat points)
- Final points

The awarded Championship points for each of these three scores are as follows;

65 pts for 1st place, 62 pts for 2nd place, 60 pts for 3rd place, 59 points for 4th place and decreasing by 1 point.

10. Driving Standards/Utilisation of a Drive through Penalty (after the race)

A 5 second penalty (drive through) may be imposed after the race subject to the following:

C.2.3.2.1. Where the Clerk of the Course has the ability to validate incidents during the race, via circuit cameras with a nominated Judge of Fact, an in race 5 second time penalty may be applied. This should usually follow the display of a warning flag/under investigation notification and will not be subject to protest or appeal.

11. Unfair Practice - Gaining an Unfair Advantage/Driving Standards

Competitors are reminded of GR U.12.5.8 – GR Q.12.21 applies to driving standards. Therefore, any driver considered to be baulking or blocking another driver may be penalised including by the display of the black flag. A driver who consistently places their kart on a line that is not that recognised as the racing line in an effort to prevent being overtaken may be given a penalty or subject to black flag. Only ONE defensive move is permitted before any corner and having made that move the driver is then committed to that line on the track (Q.12.21.1). Lap times/data may be taken into consideration as well as any moving images and or reports.
