Tyre collection procedure important information below

The 2023 Rotax British O Plate Championships meeting looks set to be one of the biggest for many years with record numbers in all grids – in recent days we have been made aware that some customers have experienced some anomalies and or errors on their invoices from the Championship entry system.

In order for us to check, process and complete orders as efficiently as possible at the event, the tyre distribution team will ask anyone collecting tyres or products to make available and show the sales invoice from **Motorsport UK Association Limited** (as pictured below)

Tyre / Product collection check list:

- ✓ Motorsport Association Limited invoice ONLY
- ✓ Debit or credit card for any additional purchases if required.
- ✓ Please ensure that the person collecting your tyres has the **correct** invoice(s) to hand or available to view.

Unfortunately without the correct invoice the team will not be able to issue you the tyres in the usual way and you may be subject to further delays .

British Kart Championships would like to thank you for your cooperation in advance and we look forward to seeing you at Whilton Mill
