Event Bulletin 05

Competitors in the 177 Class are reminded of the Motorsport UK Code as published in the NCRs Code of Conduct 10.1.5

Motorsport UK pursuant to and for all purposes of General Regulations requires as a condition of holding any Licence or other permission issued by it as ASN that all such License holders and permittees shall:

10.1.5. Conduct themselves in a proper manner at all times and always behave in the best interests of UK motor sport.

For clarity and as an example this could be a driver or team being involved in an act or action that could be deemed unsportsmanlike in an attempt to gain an unfair advantage or gain a reward or prize at the event.

Any breach of the above will be reported to the stewards of the meeting for investigation - furthermore and in the interest of sporting fairness the Championship organisers, Motorsport UK and or its partners reserve the right to alter, adjust or amend any prizes or awards at any time.
