Item 20, British Kart Championship Disciplinary Policy

Amendment:

This Policy is an independent British Kart Championship (the 'Championship') policy to protect the Championship and its participants from instances of poor behaviour (non-driving offences). All participants in the Championship are bound by this policy and, if found to be displaying poor conduct, may be subject to Championship disciplinary proceedings against them. The Championship has full discretion to investigate incidents of poor behaviour following a conviction of NCR 2.1.1.16 or NCR 2.1.1.1. The Championship's ability to investigate incidents of poor behaviour and control the conduct within the Championship is in accordance with NCR 4.0.1.11 and is independent from at-Event Decisions of Officials and/or Decisions of the Motorsport UK National Court.

Following a breach of NCR 2.1.1.16 or NCR 2.1.1.1, the Championship Organiser may restrict or terminate the rights of a Licence holder and/or any person howsoever connected to that Licence Holder in respect of Championship entry and/or Venue attendance. This permitted authority flows from a conviction of a relevant Licence Holder or Championship participant. Any form of abusive or aggressive conduct toward the Championship Organisers or Officials may result in removal from the Championship.

Decisions made in accordance with this Policy are not subject to Appeal pursuant to, to the extent necessary, NCR 1.0.1.9.
