

Event Bulletin 05

Amendment to KZ Championship Regulation 4.5.9

Reason: Issued in the interest of sporting fairness following feedback from the Competitors.

Race Slick Tyres must be purchased in line with the Class Tyre Allocation set out in CR 4.5.11. Where two new sets of Race Slick Tyres are permitted, one new set must be used for Qualifying and the Heats, Competitors must then purchase the second new set by the lunch break on Friday 10th April but have the choice whether to use the second new set in the Pre Final or the Final.
