Amendment to Race Director Notes – Reasonable Adjustment for Sporting Fairness

Applicable to: Mini Max, Junior Rotax + Senior Rotax Classes for Qualifying Practice Only

3.1 Drivers have 30 seconds to enter the track after the display of the green light and achieve something like racing speed by **Turn 5 (Hairpin 1)**. Please ensure you leave the Starting Grid safely and must not impede drivers at any time on track. We will be monitoring pit exit behaviour and will report any infringements of this article to the Stewards of the Event.

Mini Max, Junior Rotax + Senior Rotax Competitors are reminded of Championship Regulation 3.8.8.3 – Option 2: Competitors fastest time during their Qualifying Practice session will be used as their Qualifying time.

Amendment to Timetable

Official Timetable Qualifying Practice will be changed from 6 minutes to 4 minutes for Mini Max, Junior Rotax + Senior Rotax Classes only. There will be no change to Gate Close times nor Session Start Times nor any other Class.
